Report issued and authorised by:

Campden BRI (Chipping Campden) Limited

Amanda Foster ♦ Research scientist

- ♦ The legal entity accredited by UKAS and taking responsibility for accredited testing activity is Campden BRI (Chipping Campden) Limited a subsidiary of Campden BRI. Tests marked 'non ukas' are not UKAS accredited and any opinions and interpretations expressed herein are outside the scope of UKAS accreditation. Unless this report includes an explicit statement of compliance/non-compliance with a requirement and/or specification, no such statement should be inferred. Unless this report includes an explicit statement to the contrary, results apply to the sample as received from client. The information provided within this report is given after the exercise of all reasonable care and skill in its compilation, preparation and issue, but is provided without liability in its application and use. This report shall not be reproduced without our written approval.
- ♦ Unless this report includes an explicit statement to the contrary, results reported relate only to the items tested and results are not corrected for recovery.
- ♦ Unless otherwise expressly agreed in writing and signed by a duly authorised representative of Campden BRI (Chipping Campden) Limited, the services to which this report pertains are subject to our Standard Terms and Conditions of Contract, available upon request or from our website: <http://www.campdenbri.co.uk/campdenbri/campdenbrisupplyterms.pdf>
- ♦ The information in this document is only intended for the individual or entity to whom it is addressed. It may contain privileged and confidential information that is exempt from disclosure by law and if you are not the intended recipient, you must not copy, distribute or take any action in reliance on it. If you have received this document in error please notify us immediately by telephone on +44(0)1386 842000
